

Justin Hurst WMA

Background

Justin Hurst Wildlife Management Area is located 8 miles west of Freeport in Brazoria County. The hunter's check station is accessed via Texas Highway 36 approximately 5 miles west of the Brazos River Bridge. At the sign on Hwy 36, turn south and proceed for approximately 1.5 miles to the check station. The Hurst Area contains 15,612 acres of upland hardwood, upland prairie, fresh and salt water marshes acquired since 1986 with funds

provided by the Texas Waterfowl Hunting Stamp and as mitigation lands for the loss of wildlife habitat. Objectives of the Hurst Area are to maintain a high-quality marsh habitat for waterfowl and to provide public use of land, water, fish and wildlife resources that make up the area.
